DR. RALPH M. FOGG,

.. DENTIST ..

Teeth extracted absolutely without pain by the use of the "Boston Vegetable Vapor."

This new anæsthetic produces absolute insensibility to pain, is safe and has no ill effects.—Christian Advocate.

It controls the patient longer than gas and is much safer.—Portland (Me.) Globe.

It is claimed that, while it has the required properties of ether, chloroform, nitrous oxide gas, it lacks the disagreeable and dangerous qualities of these drugs. It is certainly a boon to suffering humanity to be relieved of the nausea too often following the administering of sedatives of the old school.—Boston Transcript.
